Dear Girls

How's everything back there at home? Recieved 3 packages from you in the last week. Thanks a million, that gum sure did hit the spot. Today was a big day for letters. Recieved one from Jean, one from Marian, got one from a buddie in Italy, also got a letter from my buddies wife in New York. She sure has got a lot of fan mail to answer.

Marian said that the folks were having the house tipped up. I guess it can stand it. Steve must be some job taking the paper of the walls. I guess El must of been working a little to hard at it. Weather has been swell the past 3 days. Have been playing ball a little now & then. Sure do love to play it as much as ever. Steve is going into the turkey business in a big way. I know Em is encouraging him a little. He will probly have a farm as big as Carmanter's when I get home. Tell him to save me a job. Will try & send you a picture in about 2 weeks. Will close for tonight & please keep those letters coming. So-long for now.

Love
DICK
